WHO WE ARE

Evolv I.T. is a premier information technology Managed Service Provider (MSP) headquartered in Birmingham, Alabama with a satellite office in Tampa, Florida. Evolv I.T. provides support to businesses all over the U.S. Evolv I.T. offers industry-leading cloud and Managed IT Services for business technology, cybersecurity, business continuity, optimized connectivity, and technology support. At the core of Evolv I.T. lies our unwavering passion for redefining IT and empowering growth.

We Are Proactive

We don't just fix issues; we prevent them from happening in the first place.

We Are Excellent

Our commitment to excellence pushes us to continually refine our skills, exceed expectations, and deliver unparalleled solutions and services.

We Are Reliable

Our unwavering commitment to integrity, transparency, and ethical conduct through consistent service and support earns the confidence of those who rely on us.

We Are Hardworking

We are passionate and resolute in our commitment to our clients' success.

We Are Customer-First

Above all else, we are dedicated to exceeding expectations, and deliver best-in-class service and solutions tailored to our client's unique needs, ensuring a hassle-free experience and empowering them to focus on what matters most - the success of their business.

We Are Team-Oriented

The foundation and success of Evolv I.T. can be attributed to our commitment to collaboration, both internally within our talented team and externally with our valued clients.

Our Mission

At Evolv I.T., we're redefining the technology landscape and empowering evolution and growth by offering innovative and proactive technology solutions to increase businesses' efficiencies and profitability.

Our Vision

We are a trusted partner and industry leader, raising the standard of expertise, excellence, and service. We provide proactive innovative technology solutions through fast, reliable, and exceptional customer service. We are deeply invested in our clients' success and work relentlessly to provide technology solutions that keep their businesses fortified, secure, and equipped to achieve their business goals.

"We take care of all of your technology needs from start to finish, so you can focus on running your business."
- Daniel Herrera, CEO, Evolv I.T.

Benefits of Reliable & Uninterrupted Connectivity

Uninterrupted Operations

Relish in flawless connectivity, ensuring your business sails through its operations without a glitch, fueling productivity and ecstatic customer experiences.

Fortified Security

Connectivity solutions built with security at the forefront, safeguarding your data and delivering ironclad communication.

Economical Efficiency

Evolv I.T. preempts connectivity hiccups, saving you precious time and resources, avoiding costly disruptions.

Strategic Edge

With Evolv I.T. as your tech partner, you're not just keeping up; you're blazing a trail by embracing the latest connectivity trends and best practices.

Evolv I.T.'s connectivity solutions empower your business with robust and strategically impactful solutions that partner with you and your business for the long haul. We're not just an IT provider; we're your beacon in the dynamic digital landscape, committed to ensuring that your connectivity becomes a driving force for growth and success.

As leaders of innovation in the IT solution realm, we bring you cutting-edge solutions, expert navigation, and unwavering support to supercharge your business's connectivity. Experience the Evolv I.T. difference and elevate your connectivity to unparalleled heights, placing your business on the forefront of the digital age.

Workstation & IT Infrastructure Assurance Programs

At Evolv I.T., our Assurance Programs are the cornerstone of our commitment to delivering unparalleled IT services. These services provide you with peace of mind, knowing that your technology, hardware, and infrastructure is not just managed but optimized for your business success. We understand that downtime is simply not an option. **That's why we proudly introduce our Workstation and Infrastructure assurance programs; game-changing solutions that keep your business running seamlessly, with an IT department that feels like it's right next door.**

Evolv I.T. Workstation and IT Infrastructure Assurance Programs

KEY FEATURES:

- Unparalleled Support
- Rapid Issue Resolution
- Equipment Assurance
- Reliable Hardware and Infrastructure
- Scalability and Flexibility
- Strategic Partnership

Benefits of Evolv I.T. Assurance Programs

Workstation and Infrastructure

Zero Downtime

With Evolv I.T.'s Assurance Programs, you'll never have to worry about downtime impacting your business. We're here to ensure that you stay up and running, 24/7/365.

Peace of Mind

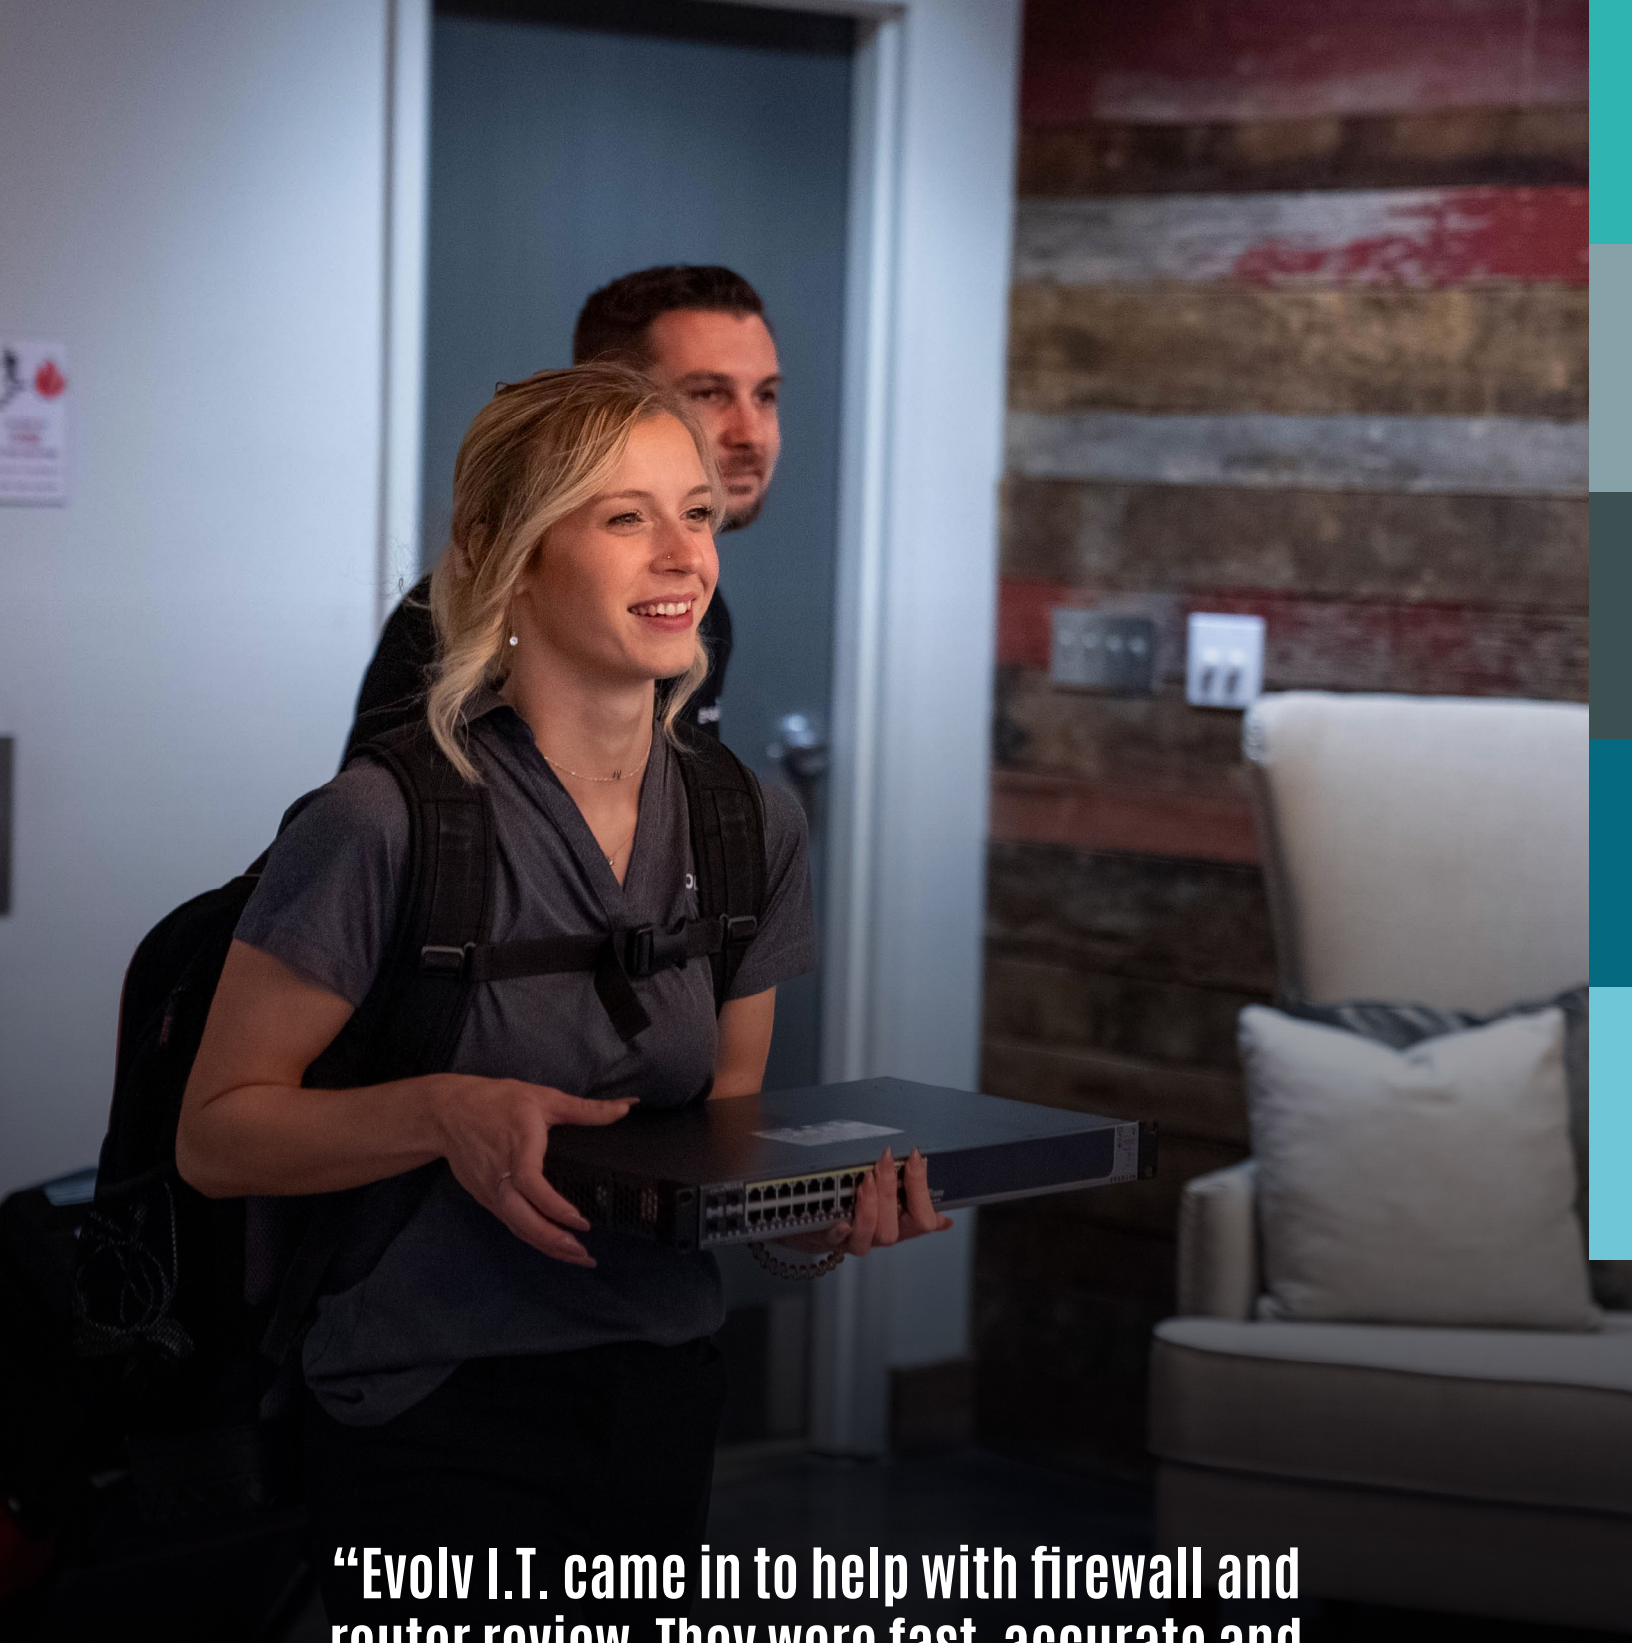
Our Assurance Programs ensure that you always have a safety net, with backup equipment ready to go, so you can rest easy, knowing your business is protected.

Focus on Growth

Let us handle your hardware concerns. You can concentrate on your core business, knowing that your infrastructure is in expert hands.

Cost Efficiency

Evolv I.T.'s Assurance Programs streamlines your hardware costs, offering predictability and efficiency. No more unexpected expenses or business interruptions due to hardware issues.



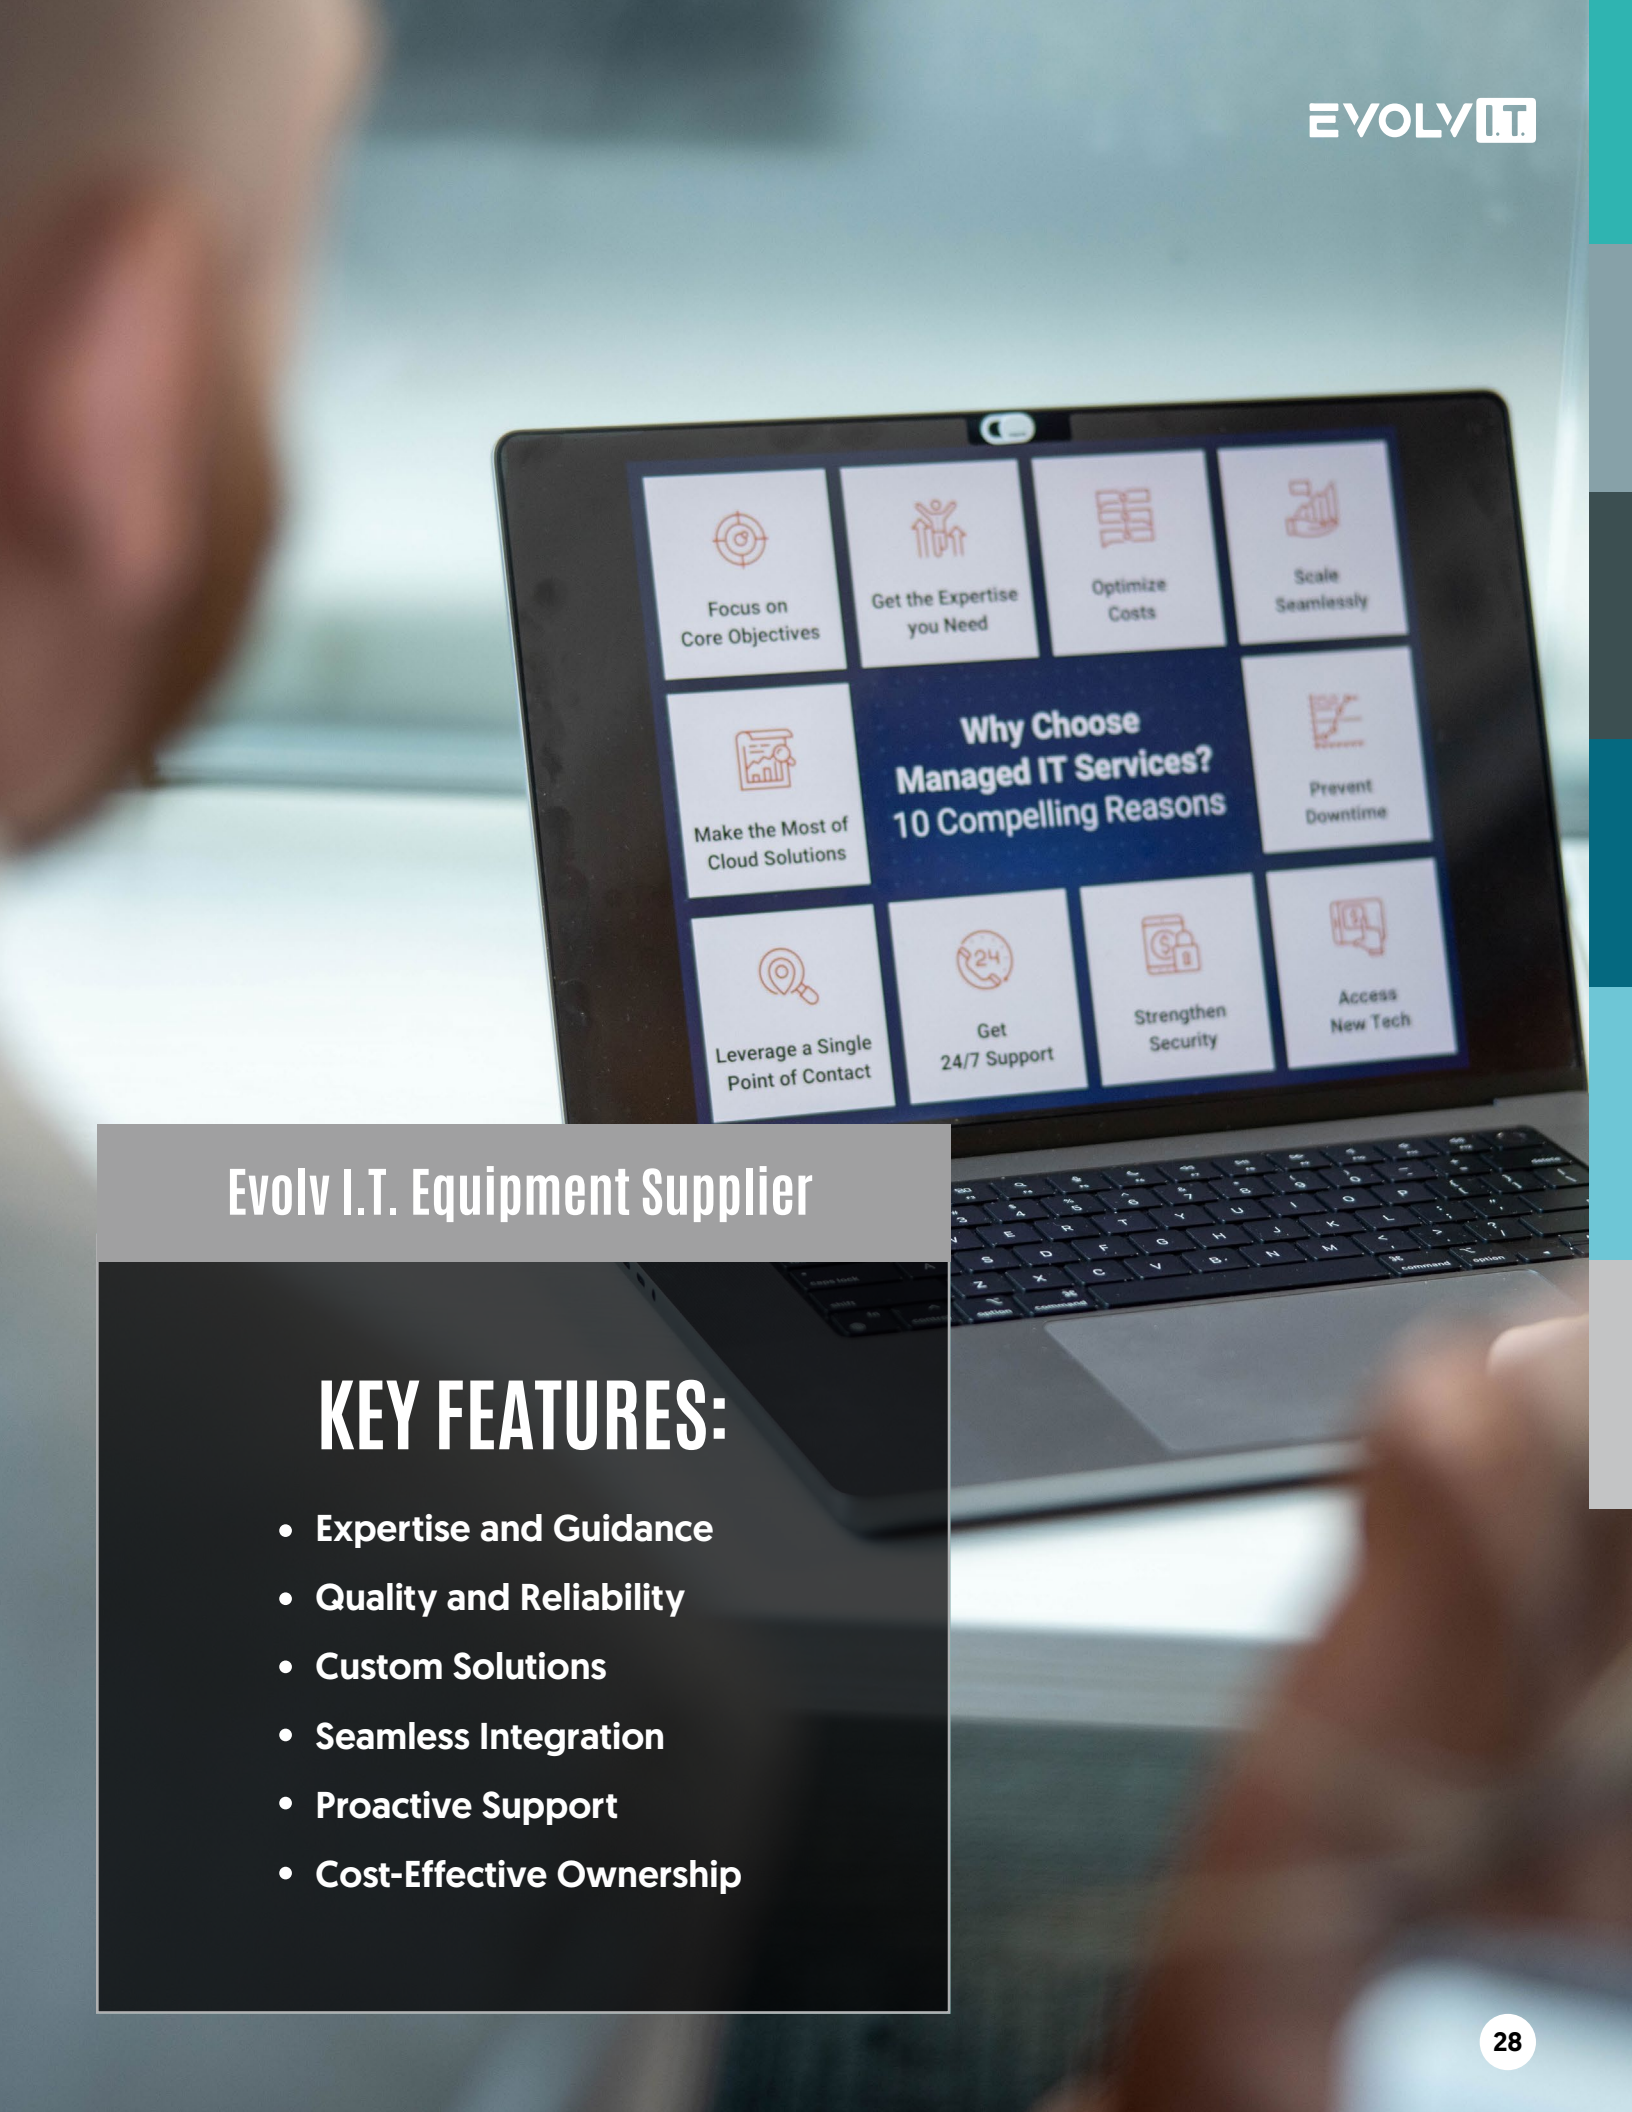
“Evolv I.T. came in to help with firewall and router review. They were fast, accurate and great to work with on the project.”

-Steve Sebastian, Satisfied Customer

Equipment Supplier

Your Trusted Source for Hardware Excellence

In a world flooded with options, making the right choice for your hardware needs is crucial. Evolv I.T., your premier IT Managed Service Provider, stands as the beacon of reliability, trust, and excellence in the ever-evolving technology landscape. **When you choose hardware from Evolv I.T. instead of a box store, you unlock a world of benefits that make your investment more than just a purchase; it's an assurance of quality and support.** We strategically plan and purchase stable and secure technology solutions based on your goals and business needs.



Evolv I.T. Equipment Supplier

KEY FEATURES:

- Expertise and Guidance
- Quality and Reliability
- Custom Solutions
- Seamless Integration
- Proactive Support
- Cost-Effective Ownership

Benefits of Purchasing from Evolv I.T.

Quality Assurance

Evolv I.T. guarantees top-notch, reliable hardware that's backed by our reputation for excellence and commitment to your success.

Simplified Procurement

Evolv I.T. streamlines the hardware acquisition process, ensuring you get the right equipment without the hassle of navigating endless options at a big-box store.

Peace of Mind

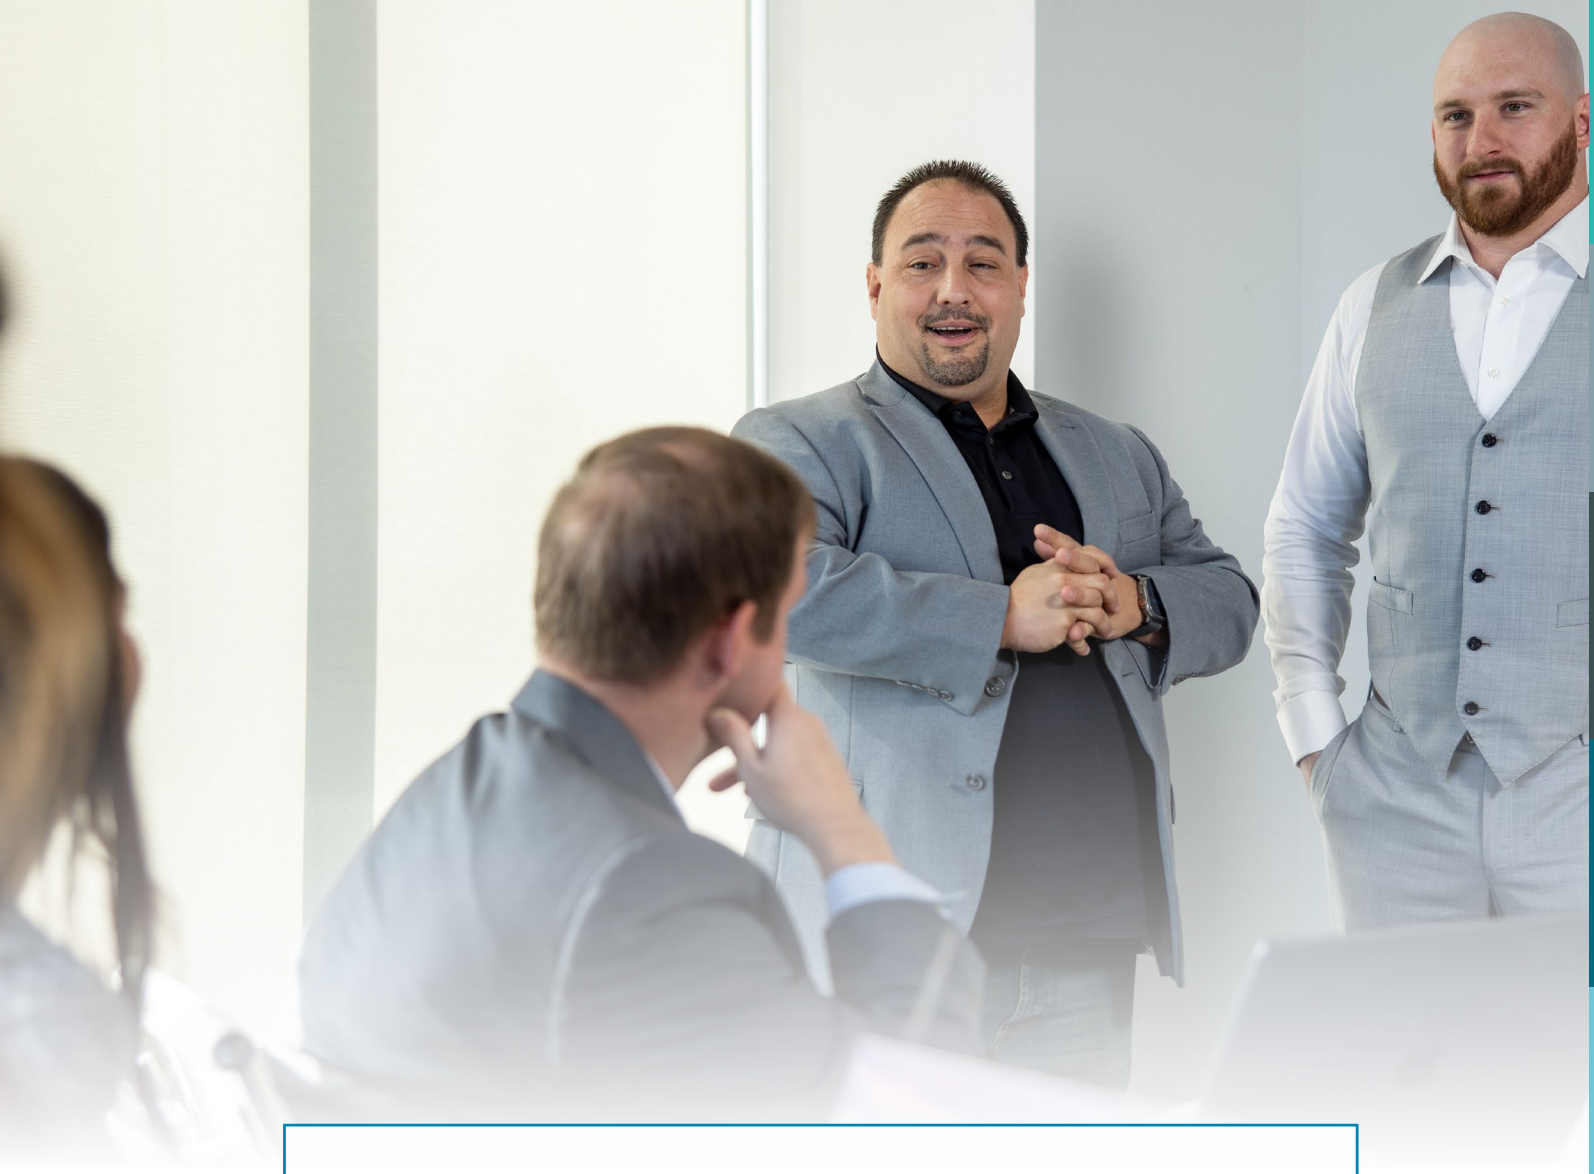
Our support doesn't stop after the sale. You have a reliable partner in Evolv I.T., ensuring your hardware investment continues to perform flawlessly.

Tailored Solutions

We offer hardware that fits your business like a glove, optimizing your operations and contributing to your success.

Long-Term Value

Purchasing from Evolv I.T. isn't just an investment in hardware; it's an investment in the future of your business, with hardware that adds lasting value.



Trusted Advisor

“Evolv I.T. has always done an incredible job of communicating and letting you know what’s going on. Evolv I.T. isn’t just responding to threats, they’re knocking those out before they get there. If anything happens, they’re handling it before we would even know about it”

-Mitchell Garnett, Byars Wright

"Evolv I.T. is here for us, 24/7/365, and they do an awesome job. They do everything well."

-Thomas Cattell, Advancing Sight Network

"Evolv I.T. is always attentive to our IT issues in a short amount of time. Our office flooded last year and they were on the spot almost immediately to assess our situation and advise us about any damage done."

-John Hard, Sitton & Hard, LLC

“We always had multifactor authentication issues, and since Evolv I.T. has been involved we really don’t have those.

Evolv I.T. was able to secure our networks, they were able to upgrade our equipment, and things have been much smoother since that happened.”

-Whitt Luker, Byars Wright

"Evolv I.T. is a great IT partner. They are very responsive to our IT needs and proactive in their recommendations. Highly recommend."

-Sue Poe, Capital Strategies
